# OUR SERVICE

## Use Our Full Suite of Features for All Your Event Needs

The best part about vexhibitions virtual and hybrid events? Our wide range of features support any type of event you can dream up. Vexhibitions' virtual events platform offers a broad range of solutions to help you take your events online.

### Exhibitor Interaction

As well as providing your audience with an unparalleled online experience, you can also simulate real-life meetings by adding tools such as polls and voting systems

### 3D Product

If you want to stand out from the competition, consider using 3D product on your exhibition stall to showcase your latest products. Our team can create a 3D model of your product and instantly integrate it into your virtual stall

### User Dashboard

Scale your online event to reach thousands of attendees in seconds, track attendees behavior in real time, and easily measure the results

### Chat & Networking

A fully integrated chat bar provides a simple messaging system that lives across the virtual event for you and all of your event participants to message one another live during the presentation.

### Webinar & Meetings

The Vexhibition Online webinars solution is the perfect opportunity for companies, organizations and individuals to host live, interactive events that can be attended by anyone, anywhere in the world.

### Custom 3D Design

Our platform allows exhibitors to choose and customise their stall as per their requirements. Our prime focus is on creating the best experience for the exhibitors by customising their stalls in accordance to their requirements, while ensuring they get the most value for money.

# WHAT WE DO?

## EXHIBITION ENVIRONMENT

Enjoy real-time engagement, increased conversion rates and immersive experiences for your guests. Our digital platform is designed to feel as close to attending a physical event

01

## AUDITORIUM HALL

We create a unique experience, not just a stand and allow you to interact with your visitors. We broadcast your meetings and events live and on-demand over the Internet and we also broadcast high quality video through our unique 3D environment.

02

## ENTRANCE LOBBY

Exhibitors get a seat on a global event platform, and sponsors can reach more of their potential customers with localised ads across all virtual events. From here you can see key sponsors, welcome videos and register for the event

03

## EXHIBITION HALL

Vexhibition allows you to enter and walk around the immersive 3D event hall in high detail without needing to leave the office, saving money on travel and still providing a great presence in front of your clients or future customers.

04

VIRTUAL EXHIBITION PLATFORM

## Allow your brand to have a Global presence

The Vexhibition platform provides an innovative way to connect with potential customers using the latest technology. With the introduction of online events, you can interact with your audience anywhere in the world. The events market is evolving into a digital & hybrid solution, giving a truly Global presence. Our platform is ready to take your business to the next level.
